DIA COMIREX Member
State COMIREX Member

25X1

Attached draft memorandum is for your review and comments. Because I do not expect agreement, I anticipate inserting a new paragraph between existing 7 and 8 that will present the several agency views. I do not anticipate changing the nature of the recommendation but am willing to negotiate language changes in it. Please respond by noon Friday, 12 October.

25X1

Chairman, COMIREX
